Born with Celtic ancestry Rhys Wynn Davies is a Psychic Medium and is sensitive to spirit energy and presence. Rhys can channel communication between the physical world and the spiritual world. Rhys has clairsentient, clairvoyant and clairaudient abilities which assist him to sense, see and hear messages from family and friends in spirit during the reading.

Rhys has travelled and worked intensively with some of the best clairvoyants and mediums in the world. He regularly studies at the Arthur Finlay College in the UK. His work as a Spiritual Medium gives Rhys great personal fulfilment and he feels privileged to work for spirit.

Next to his Spiritual work Rhys also has three degrees as an environmental scientist, with a specialization in Environmental Restoration. Over the past 15 years his business planted over 8.5 million trees in Australia. Focusing now on his spiritual path, his love for the forests has allowed him to remain grounded and focused as a Medium. To this day he continues to plant a tree for every reading he does. Rhys is a Gold Member of the Australian Academy of Spirit and a truly ethical and dedicated medium.
